## FROM THE PRESIDENT'S DESK

Just as the economy begins its upturn, we are experiencing an upturn in HVWGC members. To date 144 women are anticipating the fun and challenge of a new Michigan golf season. It promises to be an exciting spring and summer as some HVWGC traditions continue while some changes are in the air.

Some of the changes are being implemented because of the far-reaching tentacles of the technology age. We are doing most Club business via the internet which has saved us money in postage, but just as important, it has allowed us to communicate more effectively with our membership as well as potential members. By now you should have received a survey via your e-mail initiated by your Board to involve all members in Club planning. Please take a minute to answer the survey questions. The feedback is important in planning where, when and what type of leagues members may be interested in.

Another change you will see is based on returning and new member requests. For this year we have dropped the league at Cattails. However, from its humble beginnings, the Whitmore Lake 18 hole daytime league is full, as are the leagues at Eagle Crest and at Stonebridge. The intermediate league: Pine View Holmes is mostly full and will have many former Learning League players poised and ready to earn their official handicaps! The Learning League will now have space for women to join HVWGC and begin their venture into the world of golf.

Many rich traditions will be celebrated this year with activities surrounding HVWGC 20<sup>th</sup> anniversary. Stay tuned for more information. Mark your calendar for Saturday, March 19<sup>th</sup> for the Annual Spring Meeting. At this meeting you will get more information about our anniversary celebration, league assignments, special events and of course time to both reminisce and plan for the new season with our golfing buddies. Hope to see you there.

*JoLynn DeBuyscher, President*
