APRIL 2008

FROM THE PRESIDENT'S DESK

Dear Huron Valley Members,

Welcome to the start of the 2008 golf season. Everyone survived a long hard winter and we can now begin to enjoy a warm sunny Spring. It is amazing how much joy a little green sprout poking out of the brown leaves can bring these days.

Welcome to new members of Huron Valley. We hope you will enjoy your experience with our club. Welcome back returning members your continued support is appreciated.

I want to take a moment to thank our league chairs whose work is just beginning for the new season. Also, thanks to **Maureen Wheeler**, League Liaison, who is working hard to get these ladies the info they need to get things started. These ladies put in lots of time for our benefit all summer long. Some of our league chairs have done this job for years. Take a moment this season to thank them for their hard work. They deserve it!

MARK YOUR CALENDAR!! THE HVWGC TEAM MIXER will be held **Sunday, June 29 at Reddeman Farms**. This event is for **ALL Huron Valley members**, new and more experienced golfers. It will be a scramble format and should be a lot of fun as every player can contribute. Teams will be formed based on handicap and average 9 hole score (for those without handicap). More information is in this newsletter, on the website and will be at your golf course during league play. Please sign up. We hope this event will be an opportunity for members to get to know our new members and welcome them aboard. Reddeman Farms is located between Ann Arbor and Chelsea and they are excited to host this event for us.

When I joined Huron Valley years ago, I was so impressed by the organization and the way it was run. At that time **Gerry Holmes** was president, and I'm still following the job description and time line she developed. The effort put in by so many ladies to keep this organization going is amazing. The many leagues provide a fun yet competitive venue for all us to enjoy the game of golf. If you are interested in helping the club and volunteering, let me know. My email is chosken@comcast.net. If you have a complaint, please let me know, but no complaints accepted without a suggestion for solution.

Hit 'em long

2008 SPRING MEETING

About 75 ladies attended the 17th annual spring meeting held at Pine View Golf Course on March 15. The meeting started at 9 am with **Gwen Plaunt**, the Vice-President, introducing the board members.

Next, on the agenda, **Sheri Affolder**, Secretary and Membership Chair, gave an update of the number of ladies who have joined as of this meeting; there are approximately 170 ladies who are either playing and/or are on the sub list. All leagues have openings except Eagle Crest.

Donna Kruzich, Treasurer and a Format Committee member reviewed the few changes to our format. One big change, GAM is now tracking our members' handicaps. This means that some leagues might not have a [Most Improved Player](#), because GAM considers us one league instead of 11 separate leagues. So the top 10 ladies, according to GAM, will receive the MIP award.

Gwen went over the calendar and starting dates. Most leagues will start the week of April 21. One trip that is planned is the trip to Crystal Mountain on June 14-15, with an option to also play on April 13. Flyers were handed out for that trip. The President's Event, The Open, Bring-a-Friend, Club Championship and Banquet dates are listed under the "Important Dates" section of this newsletter. Some locations are TBD.

Donna Truscon, Board Member and Handicap Chair, announced that ladies will be able to post scores after April 1. Once your name is entered at GAM, you will be receiving a GAM membership card. Members are responsible for going to [GAM.org](#) to post all of their scores.

Our Web Page Master, **Cynthia Radcliffe**, was introduced. Cynthia is in charge of updating the information on our web site. **Marie Paretto** has volunteered to assist with the web page. Our web site is where you can obtain information about HVWGC, application forms for different events, and best of all, where you can get a sub. Be sure to check out the site to see what is going on.

Scott, the Pro from Pine View, was introduced. He was optimistic that Pine View would be opening in a few days for business, dependant upon the weather. A merchandise sale was going on in the club house. Also, prices for some rounds of golf would be lowered this year. Pine View also has plans to add a deck onto the clubhouse, close to the 10th tee.

Our league is continuing on into its 17th year. Our numbers are lower and most leagues are not full, due to many different factors, but we will continue on and hope that things turn around.

The meeting adjourned at 10:00 am. **Sheri Affolder**, secretary
